

Sibahle Tyantsi

Western Cape, Cape Town | 0782944709 | tyantsi25@gmail.com

Objective

I am a passionate and dedicated IT student with a foundation in ICT. I am looking for an organisation where I can utilize my skills, apply my knowledge and gain more experience in the real-world IT environments. I am passionate about working and solving complex problems. I value the importance of time management, and I show perseverance in any given task because I am determined to get positive results.
